

National Student Leadership Conference

Engineering

Atlanta

Program Overview & Sample Daily Schedule

While not every session is scheduled exactly the same, the following Program Overview & Sample Daily Schedule are designed to give you a better understanding of the activities in a typical session as well as the flow of a typical day.

Program Overview

Day 1

- Registration
- Campus Tours
- Opening Ceremony
- TA Group Orientation

Day 2

- AU College Credit Option
- Lecture Series: Underwater Robot Introduction
- Leadership Challenge Course
- Leadership Series: Personality Styles
- Social

Day 3

- Product Development
- Engineering Project: Underwater Robot
- Leadership Series: Personality Styles
- Engineering Rotations
 - Coding
 - Soldering
 - Physics
 - Electrical Engineering
- Social

Day 4

- Facility Visit: Georgia Tech Lab Tours
- Trip: World of Coca Cola
- Lecture Series: Civil Engineering
- Engineering Project; Underwater Robot
- Leadership Series: Communication
- Social

Day 5

- Site Visit: Georgia Dome
- Design Challenge: Wind Turbines
- Engineering Project: Underwater Robot
- Engineering Ethics
- Social

Day 6

- AU College Credit Option
- Lecture Series: College Panel
- Design Challenge: Trebuchets
- Lecture Series: Aerospace Engineering
- Leadership Series: Dyadic Encounter
- Social

Day 7

- Engineering Project: Underwater Robot
- Site Visit: Delta Flight Museum
- Leadership Series: Commitment in Action
- Lecture Series: Careers in Engineering
- Design Challenge: Wind Turbine Preparation
- Social

Day 8

- Guest Speaker: Computer Science
- Engineering Project: Underwater Robot Competition
- Leadership Series: Leadership Wrap-up
- Design Challenge: Wind Turbine Testing
- Closing Social

Day 9

- Closing Ceremony
- Final TA Meeting
- Departure

National Student Leadership Conference
